- Enter password kumbukumbu
- Click on the kumbu logo on the first image

- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 7 items

E-010 : Save an Instagram video from your stream ([video](#))

- Do E-001
- Navigate to instagram.com
- Click login
- Enter id kumbubob
- Enter password kumbukumbu
- Scroll until you find a video
- Click on the kumbu icon on that video
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 8 items

E-011 : Save an Instagram photo from a profile page ([video](#))

- Navigate to https://www.instagram.com/motdiem
- Click on the kumbu logo on the first image
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 9 items

E-012 : Save an Instagram photo from an individual photo page ([video](#))

- Navigate to https://www.instagram.com/p/BZQhh5EAWgE/?taken-by=motdiem
- Click on the kumbu logo on the image
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 10 items

E-013 : Save an Instagram video from a search ([video](#))

- Navigate to https://www.instagram.com/explore/tags/videos/
- Click on the kumbu logo on the first video
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save

- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 11 items

E-014 : Save an Instagram post with multiple photos ([video](#))

- Navigate to <https://www.instagram.com/p/BXdKeKMgoUQ/?taken-by=annaherve>
- Click on the kumbu logo on the first image
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 12 items

E-015 : Save a tweet from your stream ([video](#))

- Navigate to twitter.com
- Enter id TestKumbu
- Enter password KumbuRules!
- Enter Login
- Click on the kumbu logo on the tweet
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 13 items

E-016 : Save a tweet from a profile page ([video](#))

- Navigate to <https://twitter.com/motdiem>
- Click on the kumbu logo on the 2nd tweet
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 14 items

E-017 : Save a tweet from a hashtag search ([video](#))

- Navigate to <https://twitter.com/search?q=%23kumbu&src=typd>
- Click on the kumbu logo on the 1st tweet
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 15 items

E-018 : Save a tweet with an image ([video](#))

- Navigate to <https://twitter.com/TestKumbu/status/735807590844751873>
- Click on the kumbu logo on the tweet
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 16 items

E-019 : Save a tweet with multiple images ([video](#))

- Navigate to <https://twitter.com/TestKumbu/status/755733106620002304>
- Click on the kumbu logo on the tweet
- Verify that "KumbuTest \$TEST_NUMBER" is selected
- Click Save
- Do L-001
- Click on "KumbuTest \$TEST_NUMBER"
- Verify that there are 17 items

E-020 : Try to save the twitter home page ([video](#))

- Do E-001
- Navigate to the twitter homepage
- Click the kumbu button in the extension
- Verify that "To save souvenirs from this page, click on the Kumbu button that is directly integrated in the website" is displayed
- Click "Got it"
